The City of Ash Grove was recently approved for the Missouri Department of Conservation TRIM (Tree Resource Improvement and Maintenance) Grant for tree removal, replacement, and maintenance of our City Park!

Even though National Good Neighbor Day was celebrated on Sept. 28th, we would like to remind everyone of the importance of becoming an engaged neighbor. In 1978, U.S. President Jimmy Carter announced the creation of a national day aimed at raising public awareness that good neighbors help achieve human understanding and build strong, thriving communities. Since then, National Good Neighbor Day has been celebrated every year on Sept. 28. Be a good neighbor every day!
